ABOUT ME

Ambitious and highly communicative business student, concentrated in mathematics, with a keen interest in information and technology. Specialists in the use of analysis in resolving various issues for business growth and coming up with new approaches. Dedicated to use of business knowledge and technological wisdom towards the accomplishment of organizational objectives.

WORK EXPERIENCE

IT SUPPORT ASSISTANT – NIELS BROCK COPENHAGEN BUSINESS COLLEGE – 01/03/2024 – 30/09/2024 – COPENHAGEN , DENMARK

As an IT Support Assistant, I provided technical support to students and staff, troubleshooting hardware, software, and network issues. I handled software installations, equipment maintenance, and assisted with AV setups, gaining valuable hands-on IT experience.

SALES ASSISTANT – UNIQLO – 10/02/2023 – 30/06/2023 – COPENHEGEN, DENMARK

As a Sales Assistant at Uniqlo, I assist customers with product selection, process transactions, and maintain store organization. I support visual displays, restock merchandise, and help meet sales targets by promoting products and handling customer inquiries efficiently.
